

REQUEST FOR PRINCIPAL INVESTIGATOR STATUS

To be considered for Principal Investigator status for a specific proposal, please complete the information below including signature of PI candidate and respective Dean. Submit to jgladden@temple.edu using AdobeSign for the Vice President for Research signature. The signed form is to be uploaded into the ERA record under "Temple Docs" for Research Administration: Pre-Award. For more information, see [Principal Investigator Policy](#). Programs and awards which are specifically designed for students and/or postdoctoral fellows (e.g., fellowships and dissertation research support grants) are exempt from this policy and this form does not need **NOT** need to be completed. These programs normally require that the application be submitted in the student's and/or fellow's name with a faculty member identified as sponsor responsible for the supervision and oversight of the project.
