Lupus Research Alliance The Lupus Research Alliance (LRA) is soliciting Letters of Intent for the [2024 Global Team Science Award](#). The Global Team Science Award provides up to \$3 million over 3 years to multi-institutional teams to support interdisciplinary, collaborative, and highly synergistic projects focused on unravelling human lupus heterogeneity using cutting-edge technologies. Letters of Intent due: August 17, 2023 Inquiries are best sent via

email to: Scientific: Hoang Nguyen, PhD (hnguyen@lupusresearch.org) Administrative: Diomaris Gonzalez (dgonzales@lupusresearch.org) To apply, submit your application via ProposalCentral.

NIH Data Management and Sharing in-person Training: OVPR, Temple Libraries and Temple ITS are hosting the LabArchives team for in-person training for all Faculty, Researchers, Post docs and Students on May 17th, 2023. LabArchives managers will demonstrate how easy it is to create a new **ELECTRONIC LABORATORY NOTEBOOK** and how to make it most efficient for your specific use while securely managing your research data online. Topics will include access management, adding and managing content, sharing data, and collaboration tools. Training held in two campuses:

May 17th, 2023, 9 am – 11 am in **SERC Room 110 B** on Main Campus [Register here](#)

May 17th, 2023, 12 pm – 2 pm in **MERB Room 217** on Health Science Campus [Register here](#)

For questions about these or other opportunities please reach out to funding@temple.edu
